## Make Your Own Heart Ornament

Make your own heart-shaped ornament – perfect for any time of the year!  
Give this to someone special.

### What you need:

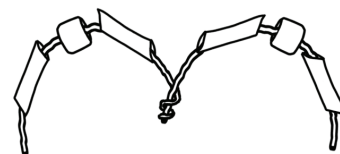

### Follow these steps...

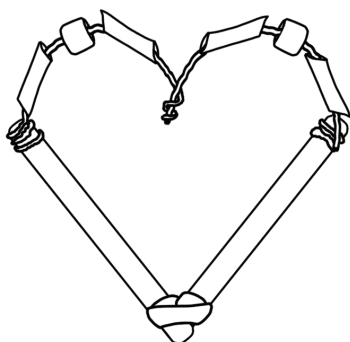

1. make 2 semi-circles with chenille sticks

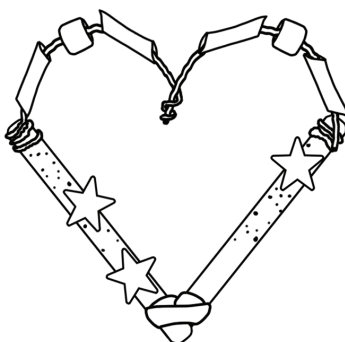

2. wrap ends to make an 'm'

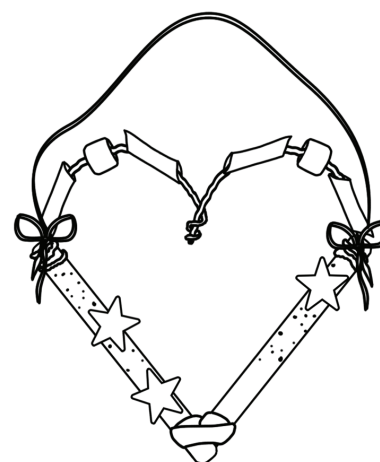

3. thread beads and macaroni

4. wrap loose ends around each pop stick then tape pop sticks to make a 'v'

5. decorate your ornament with sequins, glitter, stickers

6. tie a piece of string to the top. Now it's ready to hang up and display!
