

DESIGN YOUR OWN JERSEY

What will your team colours be?
What number will you add to your design?
What will your club badge look like?

Add a name to the back of your jersey. You can write your own name, a nickname or create a character like Luna Roo!

IDEA

Often, the number on a football jersey matches the player's position

- 1 – Goalkeeper
- 2, 3, 4, 5 – Defender
- 6, 7, 8, 11 – Midfielder
- 9, 10 – Striker

but you can pick whichever number you like – do you have a lucky number?
