By Toni D'Alia and Claire Wee

Finger Puppets

Cut around each stencil to create your own set of Ten Little Guinea Pigs finger puppets. Can you give each guinea pig a name? Take them on an adventure around the house or put on a guinea pig show!

Follow these steps...

Gather what you need

Cut around each finger puppet and apply glue

Wrap and press end tabs together

Place a puppet on each finger... and have fun!

A piece of sticky tape over the tabs can help to keep it extra secure!
