

THE BUG BOOK

Tania Ingram and Lucinda Gifford

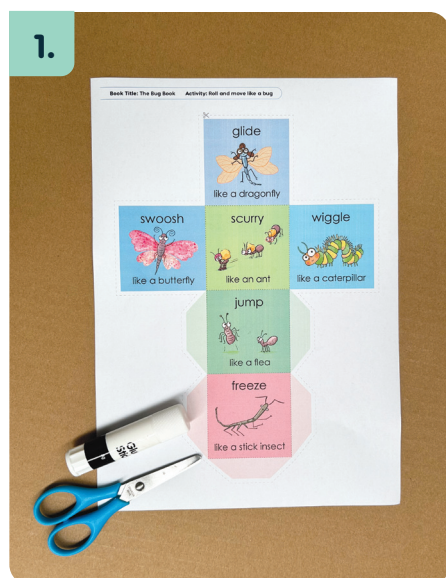

Roll and move like a bug

This is a lively activity to learn about different bugs and how they might move differently. A simple game of rolling the dice and moving like the bug that lands on top.

Follow these steps...

You will need scissors and tape or glue

Cut out the dice

Fold along the dots to make a cube

Glue tabs and roll the dice!

Adults can join in and move like bugs too!
